Afterlife with Archie is the Archie book for people who don't read Archie Comics, or perhaps the fringe group of horror fans that have always wanted to read an Archie comic. I first heard about the new comic book series Afterlife with Archie at Fan Expo Vancouver, which took place last month. I never followed Archie comics very much but I was intrigued by the concept of a zombie apocalypse occurring in Archie's world. I am also aware that this whole concept is gimmicky because it has already been done by Marvel and it has been done countless of times in other media.
