Borderland: A Journey Through the History of the Ukraine ...

Borderland tells the story of Ukraine. A thousand years ago it was the center of the first great Slav civilization, Kievan Rus. In 1240, the Mongols invaded from the east, and for the next seven centuries, Ukraine was split between warring neighbors: Lithuanians, Poles, Russians, Austrians, and Tatars. Again and again, borderland turned into battlefield: during the Cossack risings of the seventeenth century, Russia's wars with Sweden in the eighteenth,

4.0 out of 5 stars Borderland: More a Journey than a History Reviewed in the United States on June 30, 2017 It is interesting that in my opinion the other Reviewer's view points are both to some extent equally correct- the book is interesting but superficial.

Borderland : A Journey Through the History of the Ukraine ...

There are good sources of information on Ukraine's history; unfortunately, Borderland: A Journey Through the History of Ukraine falls far short of a good reference source. As I read through some of the reviews, seeing statements that stated that the reviewer purchased the book for research purposes because he/she needed some familiarity with Ukraine, and that the book more than sufficed--I cringed!
