Material Analysis & Materials Testing Lab | Polymer Solutions

The iPolymer Precision Plug Valve (PPV) is a precision machined manual control valve manufactured from 100% virgin PTFE (all wetted surfaces) and PVDF Stem Nut. The PTFE body and stem perform equally well with harsh chemicals and ultra clean DI water. The basic construction is a single through orifice with a tapered body that matches the tapered plug for positive shut-off.

prepare the **polymer solutions international** to contact every morning is okay for many people. However, there are still many people who as well as don't later reading. This is a problem.
