Essay Topics for Middle School. The purpose of argumentative essays is to provide the audience with explanations regarding one perspective of an argument. This type of paper is very similar to a persuasive essay, seeing as its target is to offer explanations about a particular side of a topic. However, unlike persuasive essays, argumentative essays must not describe the personal beliefs of the essay writer.

A research paper must have a thesis -- a clear point of view. It is not simply a generalized discussion of an issue. A research paper is not a summary or report of everything you can find. Your goal is not to collect everything you can find out about a subject and summarize it. Although you should review as much material as possible, you should select sources that directly support your thesis. A research paper is not a list of quotes.
