One of the modern world's leading feminist theorists, Carole Pateman's philosophical and political work, *The Sexual Contract* (1988), challenges the ways in which modern society functions, questioning the basic interpretation of ideas deeply interwoven into American and British political thought: that our freedom and rights are born out of the social contract developed by Locke, Hobbes, and Rousseau, and interpreted by our Founding Fathers.

## **The Sexual Contract - Wikipedia**

The original pact is a sexual as well as a social contract: it is sexual in the sense of patriarchal - that is; the contract it establishes men's political right over women - and also sexual in the just sense of establishing orderly access by men to women's bodies.

## **The Sexual Contract | work by Pateman | Britannica**

Carole Pateman's theory of the sexual contract begins as a critique of this view.

Pateman argues that Locke's view of the social contract completely ignored the position of women with respect to the state. This is the starting point of many feminist critiques of classical theories.
