Persuasive. As the name implies, this writing style sets out to win its audience over to a certain point of view. It builds an argument by presenting evidence and justifications to back up an opinion. This may lead to a call to action: Vote for this candidate, buy this product, support this cause, etc.

### **Reading and writing your way out of pandemic lockdown**

Writing is a response. We write because we are reacting to someone or something. While writing can feel like an isolating, individual act—just you and the computer or pad of paper—it is really a social act, a way in which we respond to the people and world around us. Writing happens in specific, often prescribed contexts.
